

Lori R. Storm, CCAM

I have been in Community Management for 12 years and have experience in a number of realms: portfolio management, senior communities specializing in aging in place, and properties in development. You may have seen my byline in The Vision. I have been writing for the magazine since 2013. I would like to have this opportunity give back to the industry and the organization that has been so supportive to me all these years. We are in a period of rapid change in the industry and I would like to be a part of the team that drives CACM's forward direction.
