

René Decker, CAMEx, CCAM

I look forward to the opportunity to once again re-engage and serve on the Board of Directors for CACM. I've enjoyed working on the Board in the past to assist in the establishment of the CACM vision and its implementation. I strongly believe that through continued, advanced education, and establishing public policy to promote positive public awareness, CACM is *THE* manager organization to lead our industry into the future. I am truly committed to CACM and look forward to the opportunity to serve on the Board as we reach these goals.
