

CACM New Affiliate Member Application

I hereby apply for annual affiliate membership in the California Association of Community Managers, Inc.SM It is my understanding that an affiliate member is a non-voting colleague, working within the community association industry. Membership represents one company only.

CACM affiliate membership dues are based on a calendar year and payable every January. Should you join in a month other than January, your full annual membership dues of \$550 are to be paid at that time. For the following year, the remaining prorated portion will be billed and payable in January. All members must have their calendar year dues paid in full to be considered a "member in good standing" and eligible for inclusion in the CACM annual *Resource Guide* distributed late spring.

My credit card information or check (payable to CACM), in the amount of \$550, is enclosed.
