We are proud to recognize and thank the members of Orange County United Way's Real Estate Community Builders. During today's challenging times, these leaders in the real estate and building industry have continued to invest in rebuilding our community and people's lives. Through their commitment to United Way's Community Impact work they are making a difference to those in critical need, and are building self-sufficient lives in Orange County by contributing \$10,000 or more annually to Orange County United Way.
