Start mapping out your CCAM recertification plan!

Certified Community Association Managers® (CCAMs®) must recertify every three years by completing the following requirements:

- Earn 30 continuing education units (CEUs)
- Successfully complete at least one CACM Law Seminar (7 CEUs)
- Successfully complete one CACM Ethics-related course, CMM130 or LDR500 (4 CEUs)
- Keep membership and/or annual certification maintenance fees up-to-date

Before you set out to earn CEUs, review the CACM Education Catalog at www.cacm.org to see which offerings appeal to you and your career goals. Don't limit yourself – CACM has courses for all career levels, as well as regional events and distance learning opportunities to help you reach the 30 CEU requirement.

Satisfying the Ethics course and Law Seminar requirements earns you 11 CEUs, meaning you only need to identify how you'll earn 19 additional CEUs.

Non-CACM courses may be eligible for CEUs. Upon approval, CCAMs can apply a maximum of 10 CEUs from outside providers to their CCAM recertification.

For additional information, please review the CACM Education Catalog available at www.cacm.org or call (949) 916-2226, ext. 19.
